Sir:

Applicants submit herewith form PTO-1449, listing patents, publications, or other information of which they are aware which they believe may be material to patentability pursuant to 37 CFR 1.56(b) because it was cited by a foreign examiner and in respect of which there may be a duty to disclose under 37 CFR 1.56(a), together with legible copies of the patents, publications, or other information listed.

While the items submitted with this Information Disclosure Statement MAY be material to patentability pursuant to 37 CFR 1.56, in accordance with 37 CFR 1.97(h) this submission shall not be construed to be an admission that any patent, publication, or other information cited is "prior art" or is material to patentability for this invention unless specifically designated as such. In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other information material to patentability, as defined in 37 CFR 1.56(b), exists. This art is being cited for the convenience and information of the USPTO and no representation is being made as to the pertinency or non-pertinency of the art.

Please charge IBM Corp. Deposit account 09-0457 for any fees in connection with this submission. A duplicate copy of this letter is enclosed.

Respectfully submitted,

By
